A.H.T. Advanced Heating Technologies Ltd. ("AHT") hereby guarantees to you, the purchaser of the AHT heating mats (the "Product") to which this warranty (the "Warranty") is attached that the Product will be free from defects in materials and workmanship, for a period of fifteen (15) years from the date such Product was manufactured (the "Warranty Period"); provided that the Product is installed in accordance with: (a) the accompanying AHT Installation Manual; (b) any special written design or installation guidelines provided by AHT; and (c) all applicable laws, rules, regulations, codes and standards applying in the territory in which the Product is installed, including without limitation, all applicable local building and electrical codes.

This Warranty is transferable to subsequent owners of the Product.

Thermostats or other accessories sold under the AHT name are warranted for parts and materials for one year.

The option to repair, replace or pay a refund shall be at AHT's sole discretion. AHT will not assume responsibility for the cost of flooring materials, or the cost to remove and replace flooring materials.

This Warranty does not cover and AHT shall not be held liable for any of the following damages: (a) damages caused, wholly or partially, due to abuse, misuse, negligence, application and/or maintenance not as recommended by AHT and/or not as set forth in Section 2 above; (b) damages to the Product caused by workers, visitors on the job site, or post-installation work; (c) damages caused by accident, natural disasters (such as fire, floods, lightning, etc.), force majeure, sabotage or any unforeseen circumstances; (d) special, indirect, incidental, secondary, consequential or any other damages of any nature arising out of ownership or use of the Product including inconvenience or loss of use.

CERTAIN STANDARDS LISTING REQUIREMENTS LIMIT THE HEAT OUTPUT OF UNDERFLOOR HEATING MATS AND AS SUCH, USERS MAY OR MAY NOT BE SATISFIED WITH THE FLOOR WARMTH THAT IS PRODUCED.

AHT does warrant that all Products will produce the rated watt output listed on the Product nameplate, when operated at the rated voltage.

If your country does not allow the exclusion or limitation of incidental or consequential damages, does not allow limitations on how long implied warranties may last, then the above limitations or exclusions may not apply to you.
